A phylogenetic tree diagram illustrating the relationships between 25 words. The words are listed vertically on the right, and the tree branches from left to right. The words are: LITTLE, BIG, OTHER, NEW, RED, YELLOW, BLUE, GREEN, WHITE, BLACK, ORANGE, VERY, PRETTY, REAL, DIFFERENT, OLD, SAME, WHOLE, LAST, GREAT, BROWN, PINK, SPECIAL, and TINY. The tree shows a hierarchical clustering of these words based on their semantic similarity.
